Joel - thank you for attending the session on April 18. Unfortunately, I was out of the country until the evening before the session. And just now getting to your email. You will be hearing from us again as we offer up continued opportunities for municipalities to provide input into this important project, Thanks again.

Subject April 18th Passaic River Meeting

Dave,
I wanted to touch base quickly on a couple issues related to the April 18th meeting. First, I got an invite but no draft agenda or RSVP form. I would like to attend on behalf of the City of Newark. Secondly, I do not think I will be able to dedicate more than a half day to the event so I am curious as to which time period you think my attendance is most crucial.
Thanks,
Joel Sonkin
